Railroad, Press, Packers, Steel Men Ready to Strike

Presidential Intervention May Be Necessary to Halt Rail Stoppage in 9 States

(By The Associated Press)
The St. Louis-San Francisco Railway Company (Frisco) was under notice today that a strike which would affect the road's operations in nine states has been called for 6 p. m. (Central Standard Time) Sunday.

At Cleveland, pressmen of three daily newspapers prepared to strike at 9 o'clock this morning to back up their demands of weekly pay raises of \$14.64 for the day shift and \$15.51 for night duty. The walkout was called after the pressmen rejected the publishers' offer of a \$10.86 hike. Newspapers affected are the Plain Dealer, News and Press.

Meanwhile, government fact finders took up the "Big Steel" dispute, and the A.F.L. Meat Cutters Union threatened to join the C.I.O. Packinghouse Workers in a union of the nation's meat industry to effect wage boosts.

A spokesman for the National Mediation Board in Washington said a walkout of Frisco switchmen, brakemen and conductors, members of the Brotherhood of Railroad Trainmen, might be averted only by presidential intervention.

Would Affect 9 States
A Frisco spokesman said a strike would disrupt the road's business in the nine states it serves—Missouri, Kansas, Oklahoma, Arkansas, Texas, Tennessee, Mississippi, Alabama and Florida—and affect 7,000 employees.

The railroad official said the union was objecting to handling of individual grievances, but that wages and hours were not involved. A. F. Whitney, Brotherhood president, declared the Frisco had "generally violated its contract" and taken "a bad attitude."

Continuing disputes kept 400,000 workers idle, and more than half of them—205,000—were affected by the 46-day C.I.O. strike at 70 General Motors plants. But the picture was due to change radically within the next fortnight if threatened strikes in the steel, meat packing, electrical and farm equipment industries materialize.

Covers Whole Industry
C.I.O. Steelworkers Union leaders say any pattern set for U. S. Steel in fact-finding hearings starting in Washington today would apply to the whole industry. The union seeks a \$2 daily raise and threatens to call out its 700,000 members in steel mills, aluminum and iron ore plants across the country on January 14.

Nathan P. Feinsinger, University of Wisconsin law professor, heads the fact-finding group appointed by President Truman.

The President's intervention in the meat packing dispute was sought by the A.F.L. Amalgamated Meat Cutters and Butcher Workmen "to prevent a complete stoppage of the entire meat packing industry."

Such a tieup would become "intolerable," asserted the A.F.L. union officers, if their 135,000 members join 200,000 U. S. Packinghouse Workers in their threatened walkout set for January 16.

Packers Have Till Friday
Unless the packers offer substantial wage increases before Friday, the A.F.L. leaders threatened, they will recommend strike action by their union. A guaranteed \$36 a week minimum, with other wages adjusted "accordingly," is the A.F.L. goal.

At Kearny, N. J., where four persons were injured and several others were arrested yesterday as a result of battles on the picket line around a big Western Electric plant, police were on the alert against any fresh outbreak of violence after an attempt to arrange a "peaceful" picketing which failed last night.

Up to Company
The U. S. Conciliation Service is trying to bring together company officials and representatives of the Western Electric Employees Association (Ind.), whose 17,200 members went on strike Thursday.

Site Suggested for U. N. O. Headquarters Here

The Freeman photographer took to the air with Pilot Herman Friedrich of the Mid-Hudson Airways on Friday to obtain this aerial view of the suggested site for the permanent headquarters of United Nations Organization in Ulster county. The panorama of the surrounding country at Ulster Park was taken under unfavorable weather conditions. Besides the majestic Hudson river, the beautiful Esopus and Albany lakes are shown. While the photographer was taking his pictures from the air, local members of the committee were inspecting the grounds mapping the itinerary for the visiting delegates of the U.N.O. Sub-Committee, which arrives in the United States today. They will come here later to make their inspection.

Local U. N. O. Committee Will Meet Here on Sunday at 3 o'clock

U. N. O. to Choose One of the Six Prospective Sites

New York, Jan. 5 (AP)—The committee named to choose a permanent headquarters for the United Nations Organization somewhere in the vicinity of New York or Boston was expected to arrive here by plane today.

The committee left Hurn, England, by Pan-American Airways plane yesterday for LaGuardia Field here.

Huntington Gilchrist, American secretary to the committee, and Henry E. Fritsch, associate secretary, arranged to conduct the committee members to the Waldorf-Astoria Hotel, which will be their headquarters during their stay here.

Tentative plans called for taking the committee to Washington tomorrow afternoon for an official visit before the tour of prospective sites.

The committee is under U.N.O. instructions to choose one of six prospective sites in the two zones.

Bond Sales Almost Doubled the Quota

Washington, Jan. 5 (AP)—Bond sales in the Victory Loan campaign almost doubled the quota.

The Treasury's final figures for this eighth and last War Loan showed sales reached \$21,144,000,000, or 192 per cent of the \$11,000,000 goal.

Individual purchases totaled \$6,776,000,000, or 169 per cent of the \$4,000,000,000 quota, and E-Bond purchases \$2,204,000,000, or 110 per cent of the \$2,000,000,000 sought by the Treasury.

New York Potato Industry Menaced By Insect Pest

Buffalo, N. Y., Jan. 5 (AP)—The 187,000-acre potato industry of New York state is menaced by the golden nematode, an insect which has infested 11 farms in Nassau county, the Empire State Potato Club says in a resolution.

The club asked for adequate appropriations to retire the affected land from production. The money, the club said, also would pay for research aimed at eradicating the pest which continues to spread.

The resolution was adopted yesterday at the closing session of the 11th annual joint meeting of the New York Vegetable Growers' Association and the Potato Club.

A U. S. Department of Agriculture spokesman told the group that the government would not become a "dictator" of food production, if industry maintained high-level employment and improved marketing and distribution practices.

Sylvester R. Smith, associate director of the fruit and vegetable branch of the department's Production and Marketing Administration, also declared the farmers should "complement industry's effort by assuring balanced production."

With such a program, he said, "the government wouldn't become a dictator of production. It wouldn't get into the food-distribution business. x x x its role would be confined primarily to dealing with marketing problems by helping and supplementing the efforts of industry itself to solve them."

Dean W. L. Myers of the New York State College of Agriculture at Cornell said "this is not a year for expansion" of production, and urged that growers continue over all farm operations at about the level of recent years.

The Potato Club, in other resolutions, opposed price supports and crop control and asked elimination of Daylight Saving Time.

Resolutions adopted by the vegetable growers favored speeding the release of government surplus property usable in food production; continuance of the state wartime nutrition program; discontinuance of ceilings on vegetables which have no support price, and a state, national and Farm Bureau program to provide farm labor in 1946.

The Potato Club re-elected Harold J. Evans, Georgetown, president; Favor R. Smith, Lake Placid, vice-president, and Morris J. Butts, South, secretary-treasurer. Butts, Smith and Harold J. Simonson, Glen Head, L. I., were re-elected directors.

T. Kenneth Bullard of Schuylerville was elected president of the Vegetable Growers' Association. Other officers chosen were: Vice President, J. J. Evans; Secretary, J. J. Evans; Treasurer, J. J. Evans.

Whole Industry Would Be Affected in Case 700,000 Stop Work in Mills

2 Sides Silent

'Big Four' Meat Packers Are Ready to Quit Over Wages

Washington, Jan. 5 (AP)—President Truman's fact-finding panel for the steel wage dispute took up its crucial assignment today—trying to head off a vast strike set for January 14.

Although only U. S. Steel Corporation is involved in the hearing, the C.I.O. Steelworkers' Union has called for a walkout of its 700,000 members in steel mills, aluminum plants and iron ore processing units across the nation.

Union leaders say any pattern set for U. S. Steel, the biggest in the business, would apply to the whole industry. They ask \$2 a day higher wages.

Cooperation in Doubt
As the three-man panel prepared to work out procedure, pick a staff and schedule sessions there was no advance announcement from either the union or the company whether they would cooperate fully.

The corporation previously had rejected proposals of Secretary of Labor Schwellenbach to get together with the union under auspices of the conciliation service or with an arbitrator.

The fact-finding board is headed by Nathan P. Feinsinger, University of Wisconsin law professor and former public member of the War Labor Board. Other members are Associate Justice James M. Douglas of the Missouri Supreme Court and Associate Justice Roger J. McDonald of the Utah Supreme Court.

In the meantime the General Motors fact-finding panel was completing its report for the President on the strike of 175,000 C.I.O. auto workers, which began November 21 in support of demands for a 30 per cent wage increase. The findings probably will be made public Monday.

Conference Planned
Conciliation Director Edgar L. Warren planned conferences in Chicago next week on wage disputes affecting the "Big Four" meat packers—Swift, Armour, Cudahy and Wilson.

The C.I.O.-Packinghouse Workers were first to schedule a strike for January 16. Yesterday the rival A.F.L. Amalgamated Meat Cutters and Butchers said they would join in the walkout if the companies failed to make a new wage offer before January 11.

The A. F. L. unit, noting that Swift had countered the C.I.O. demand for a 25-cent hourly increase with an offer of 12 cents, sent an urgent plea to President Truman to call an industry conference.

Top wage-price adviser to President Truman discussed the packinghouse controversy yesterday.

Secretary of Agriculture Anderson said at Raleigh, N. C., that he was recommending price increases to offset any wage concessions by the packers.

A combined A.F.L. and C.I.O. walkout in the meat industry was expected to affect a large part of the nation's food supply.

Clothing Drive Starts Monday

Grammar School Pupils Will Bring Clothing to the Schools

Kingston will participate in the nation-wide clothing drive for overseas relief starting Monday, it was announced today by Raymond H. Rignall, chairman of the local committee in charge of the drive in the city.

This drive will be known as the Victory Clothing Collection, and all of the grammar school children in the city have been asked to bring contributions of used clothing to the schools.

The clothing collected will be brought to the grammar schools, where it will be packed and later shipped to the front.

Clothing is vitally necessary to combat epidemics in Europe, China and the Philippines, according to cables received from relief workers in all liberated areas, Mr. Rignall declared today.

The drive will extend from January 7 until the 31st. President Harry Truman has said that the success of the campaign is important, and has called on Henry J. Kaiser, west coast industrialist, to serve as national chairman.

Cities, the reports state, have been suffering serious epidemics of pulmonary tuberculosis, bacillary pneumonia, typhoid fever, diphtheria, scabies and various skin diseases caused by exposure and malnutrition.

Slower Discharge Rate Is Planned

Army Will Spread Vets' Return Over Six Months

Washington, Jan. 5 (AP)—The Army slapped the brakes on demobilization today with a declaration that replacements would be insufficient to maintain necessary forces abroad at the present rate.

By full use of available shipping, all of about 1,553,000 overseas troops who are or will become eligible could be returned to the United States in three months, a War Department official said at a news conference.

Instead, the Army plans to spread the returns over six months.

This slower rate combined with replacements will reduce total overseas strength to a planned minimum of 797,000 by July 1, Lt. Gen. J. Lawton Collins told reporters yesterday.

He declared, however, that no man should be held in a foreign theatre more than three months after he becomes eligible for discharge.

Bills on Rent Controls Are Being Prepared in Albany

Albany, N. Y., Jan. 5 (AP)—Bills to establish state residential rent controls and to create a state institute of criminal science are in the making for New York State's 1946 legislative session.

Assemblyman D. Mallory Stephens, Putnam Republican, said last night he would introduce residential rent control legislation, asked by Governor Dewey in preparation for the possible end of O.P.A. regulations, early in the session which opens Wednesday.

Senator Thomas C. Desmond, Northburgh Republican, announced today he would propose creation of a state institute of criminal science "to lay the scientific foundation for rational prevention and treatment of anti-social behavior."

Stephens also will propose a bill to extend commercial rent control in New York city for another year. He heads the joint legislative committee that studied commercial rent conditions and drafted the control legislation, passed by the 1945 session to continue until next July 1.

Desmond said his bill would call for establishment of the institute at some existing approved university as a training ground for professional workers and a consultation center for courts, schools, social agencies and other groups.

To Replace O.P.A.
The Stephens bill, the Assemblyman said, would provide for state control of residential rents when O.P.A. control is abandoned.

Albany, N. Y., Jan. 5 (AP)—A "recent sharp upswing" in diphtheria, which claimed 13 lives in 1945 compared with three in 1944, was reported today by the State Health Department.

Dr. James E. Perkins, director of the communicable disease division, added there is an "urgent need" for "immunization against diphtheria of all children as they reach six months of age and again upon entry into school."

In 1945, he said, the state reported 124 cases of the disease compared with 55 in 1944.

Financial and Commercial

By VICTOR EUBANK

New York, Jan. 5 (AP)—Buyers continued to nibble at selected rails and industrial stocks today although many leaders failed to attract support.

Dealings tapered after a fairly active opening. Fractional irregularity persisted near the final hour.

Relief that the list was entitled to at least a temporary technical recovery, after five successive sessions without an average advance, inspired some bidding. Apprehension regarding business repercussions due to spreading strikes remained as the principal bullish handicap.

Ahead most of the time were N. Y. Central, Southern Pacific, Chicago & Eastern Ill., U. S. Steel, Bethlehem, General Motors, Montgomery Ward, Consolidated Edison, Shamrock Oil and American Water Works. Wilson & Co. moved up in the wake of the company's first dividend since 1937. Occasional losers included Chrysler, Southern Railway, Western Union "A," Sperry, Boeing, Westinghouse, Anaconda and Kennecott.

Bonds and commodities were narrow.

College President Gives Citation to Dr. Tidmarsh

Schenectady, N. Y., Jan. 5.—High praise for the work of Dr. J. A. Tidmarsh, director of music at Union College, was contained in a citation of Dr. Tidmarsh's work released yesterday by Dr. Benjamin P. Whitaker, acting president of Union on the signing of the 21st year of Sunday afternoon organ recitals.

"Dr. Tidmarsh has done more for music than any other man in recent years in carrying the culture of Union College to the communities of upstate New York," Dr. Whitaker said.

Through his active leadership in Schenectady, Kingston, Troy and Cooperstown, and in the recitals throughout the heart of New York state, he has carried the best traditions of Union College to our neighbors. Indeed, he has gained renown for himself and Union throughout the United States and Europe.

"No phases of his work has become more endeared in the hearts of those who appreciate great music than the quiet, distinguished Sunday afternoon organ recitals, which Dr. Tidmarsh has given over 500 during his 21 years at Union College."

The recital series, cut to once a month because of Dr. Tidmarsh's recent illness, includes French programs on January 6 and June 2, a Wagner program on February 3, American on March 10, Lenten on April 7, Easter music of Cesar Franck on April 21, and a guest recital by Duncan Miller on May 5.

In Sunday's 4 p. m. recital in Memorial Chapel, Dr. Tidmarsh will honor two former teachers by playing "Variations on a French Melody" by Marcel Dupre and the Negro, adagio, intermezzo and finale from Widor's Sixth Symphony. Dr. Tidmarsh studied under Dupre and Widor at the Fourcades Conservatory. In 1936, Dr. Tidmarsh received the diploma and decoration of the Order of Palms of the French Academy in recognition of his active interest in French music.

He will also play Messiaen's "Apparition of the Church" and Debussy's "Clair de lune," prelude to "The Blessed Emolus," and "The Girl With the Axen Hair."

Laid assistant steward, Addie Graham.

Member of Executive Committee, I. C. Barnes.

The tableaux for the installation were very beautiful. Vocal solos sung by Sister Thew were well rendered. Brother Story, worthy deputy of Ulster county, commented upon the fine installation service and said the Worthy State Master, Brother Sherwood, had sent a very good substitute.

Brother Barnhart, the newly installed Pomona Master, spoke briefly and asked the cooperation of all members of the Grange for the coming year.

Those present from Orange county, in addition to Worthy Deputy Thew, and the Worthy State Juvenile Deputy, Sister Ruth Thew, were Brother Clifford E. Kilsey, Sister Emma T. Kilsey and Sister Frances A. Schoonmaker of Hamdenburgh Grange; and Sisters Helen Digg, I. Wright Miller and Alno Carlson of Mountville Grange.

Brother Barnes, retiring master, presided over the December meeting. After hearing reports from various officers on matters pertaining to their office, the Grand Master read Sister Barnes' report for the Service and Hospitality committee. There were six entries in the canning contest, one each from the following Granges: Clintonville, Patroon, Rosendale, Plattekill, Hurley and Ulster. Sister Hilda Simpson of the Clintonville Grange, won first place and her prize-winning jars of fruit and vegetables were sent to the state Grange.

Sister Barnes, chairman of the State Service and Hospitality committee, complimented Sister Pallen on the reports of the subordinate committees which were adjudged and the following prizes awarded: first place, \$5, won by Plattekill; S. and H. committee; second prize, \$3, a tie between Huguenot and Highland committees; third place, \$2, tie between Rosendale and Clintonville.

The March meeting of the Pomona will be held in the Lake Katara Grange Hall.

Plattekill Grange invited Pomona Grange to meet with them in June.

Good Taste Today

By Emily Post
(Author of "Etiquette," "Children At Table," etc.)

"THANK-YOU" MAY BE LIMITED TO FEW WORDS

The following letter about thank-you letters explains itself: "My sister is in the hospital and convalescing now from a major operation. She is receiving flowers, cards and presents from friends every day and, of course, is not very strong enough to acknowledge them. I believe it is quite acceptable in such a situation to wait until she is well enough to do it herself. Everyone knows the seriousness of her illness. On the other hand, she thinks it would be inexcusable to wait until she regains her strength and then promptly, even if someone in the family does it for her. This puts the obligation on me! Will you advise me?"

My suggestion is that you order some cards called "informals" with her own name on them and all she has to do is write in pencil "Thank you, dear Mary, for your beautiful flowers, Affec, Jane." If the cards are handed to her a few at a time in such a way that they are easy to write on, it probably would not take her too much to do them, little by little. You or any friend visiting her could address the envelopes and stamp them. Perhaps you could go out and select some suitable "thank-you" greeting cards to which she could add even short messages. To have them take the place of a letter, they must have a few words of handwriting on them, but very few will do.

Three Bad Number for Dancin'

Dear Mrs. Post: A certain married couple asked a girl friend of the wife's to dine in a restaurant and dance. The husband invited this girl to dance first, which I think was treating his wife shabbily. But this wasn't all! He danced practically not at all with his wife and when, later at home, she took him to task for it, he explained that his behavior was required of him as host.

Answer: As host, he should have asked the girl to dance with him first. After that, he should have danced with the girl and his wife an equal number of times. As husband, I think it might have been considered of him to have danced with his wife last.

Neither Mary Blake Nor Mary

Dear Mrs. Post: Is simply Mary Blake correct to use at the top of note paper?

Answer: If made into a cipher, yes; but the name printed out in full or written in facsimile of handwriting is not in good taste unless she is a very young girl or a professional person.

For Mrs. Post's booklet 504, "Etiquette of Table Setting," send 10 cents in coin, and a 3-cent stamped, self-addressed envelope in care of The Kingston Daily Freeman, P.O. Box 99, Station G, New York 19, N. Y.

High School Drops First DUSO Game at Monticello

NEW HEAD COACH

Paul Bixler, (above) until recently assistant football coach under Carroll Widows at Ohio State University, has been named head coach at the school. Widows will become Bixler's assistant.

Kingston High school's inexperience against seasoned opposition was in evidence last night on the Monticello court, when the Maroon suffered its first setback in the DUSO League, 27-31.

The loss was Kingston's first in three league starts and their second in four games to date. Powered by Morty Kaplan, the veteran forward who was expected to do just that, Monticello was in front all the way. The mountaineers clung to a 21-16 halftime margin and maintained the status quo after the recess despite the Maroon's desperate bid to maintain a perfect league record. The loss dropped Kingston out of a first place tie with Newburgh Academy.

Kaplan, who paced the Monticello to victory, swished the net for 12 points. He was followed by Stan Halprin, who tallied 17 markers. For Kingston, the scoring was pretty evenly divided among three players. Tony Albany and Red Murray not nine apiece while Ed Weaver, who played a beautiful floor game, recovering most of the rebounds, hit the cords for eight.

Coach G. Warren Kias had little to comment on the game, preferring to let things pass as they were. "We must remember that Kingston hadn't seen action since December 21," the Maroon mentor remarked after the game. "My boys were a little nervous, and since they were playing on a strange court, they showed their lack of experience. However, I'm hoping that they'll profit by their mistakes and hit the winning road again next week."

Monticello was the superior team in the first half as they took advantage of their home court to battle the Maroons with a sturdy defense. It was Morty Kaplan and Gilbert Seifer who paced the mountaineers to a five-point lead at halftime. Kaplan with his one-handed shots, and Seifer with his set shots were clicking for Monticello.

Kingston was unable to do anything in the first period as the duo of Kaplan and Seifer rolled up an 11-4 lead at the quarter mark. For the Maroon, Eddie Weaver was the high scorer as he tossed in a free throw and a duce. Bob Murray's shot from the 15 foot mark was the additional point tallied for Kingston.

The Maroon scoring attack improved in the second period but no adequate defense was found to stop the flying Montie duo which continued to hit the cords. Murray and Weaver were the main scorers for the Maroon, as the Kiassmen shaved two points off the Montie lead which was 21-16 at half-time.

Kingston took the floor in the second half determined to pull the game out of fire but anxiety resulted in continual loss of the ball to the fast moving Montie squad. However, the Kingston squad did manage to outscore Monticello by 11-10 in the second half.

Although Murray and Shols began to make some of their shots count, Kaplan refused to let them in from all sides. The Monties led 27-20 at the third quarter mark. Kingston outscored them 7-4 in the final period, but the Monties were able to sustain a sizeable lead to walk off the floor with a 31-27 victory.

In the other DUSO games last night, Newburgh jumped into sole possession of first place as they trounced Liberty on the latter's court, 33-23, and Middletown gained their first DUSO win of the season by defeating a weak Port Jervis team, 34-15.

Racing to Return To Saratoga Track During August

Albany, N. Y., Jan. 5 (AP)—Saratoga Springs will have horse racing again next August for the first time since 1912.

Governor Dewey announced late last night that the Saratoga Racing Association will have the dates from August 5 to August 31, inclusive, assigned to them next week by the State Racing Commission.

The association, which ordinarily conducts a five-week season at the Spa, also will hold a two-week meeting at Jamaica, opening July 22. At this meeting, which will include any of the Saratoga stake races, the association expects to take in enough money to offer more stake races and larger purses for the Saratoga meet.

The 1946 purses at Saratoga will reach at least \$825,000 and may total about \$1,000,000. The 1942 purses totaled \$558,000.

For the past three years the Saratoga races have been run at Belmont Park where the income was higher than at the Spa because of the proximity of New York city to the Long Island track.

The commission also seeks the return of the annual yearling sales to Saratoga from Lexington, Ky., where they have been held for the past three years.

What Price Glory! Tony Cuccinello Seeking New Job

Chicago, Jan. 5 (AP)—Tony Cuccinello, 37-year-old veteran of 15 years of major league baseball play who was edged out of the American League batting championship last season, is looking for a job.

"The Coach" was released yesterday by the Chicago White Sox, apparently as part of a Sox program to rebuild with younger material.

Cuccinello had said he was looking for a major league coaching job or a managerial job in the minors. He also felt he still could fill in as a utility infielder for the White Sox.

The Sox announcement, Cuccinello said at his Long Island, N. Y., home, came as a surprise. He said the club had not informed him personally of the action, and he still hoped he could land a minor league berth.

WOODSTOCK

Woodstock, Jan. 5.—Milton Wolven has arrived in Woodstock and is visiting his mother, Mrs. Jesse Wolven. Milton was recently married abroad and expects his bride to come to America in the early spring.

Allen Dean Elwyn, son of Mr. and Mrs. Orville Elwyn, arrived in New York on Thursday. He will soon be discharged from the navy and will then return to Woodstock. Preparations are already under way to build the new St. Dunstan's, to replace the building destroyed by fire a few days ago. The archbishop reports that there is much interest being displayed in the project, and hopes that a suitable arrangement will have been completed by Easter. It has not been determined whether the building will be on the old site, or whether a new locality will be selected.

Mrs. Ivan Summers visited New York last week to spend her birthday with her mother. More than 60 people attended the New Year's Eve party at the Legion building, spending the time with games, singing and dancing until Father Time (Harry A. Kutzschbach) and the New Year (Wesley O'Brien) appeared on the scene. They were introduced with loud fan fare by drummer, Joseph Friedberg, and pianist, Fen Franksling.

Pranksling for the funniest hats made by the participants themselves were given to Miss Helen Hartley of Saugerties and George Heilmann of New York, and Willow. Refreshments were served and when the wee small hours arrived, "Auld Lang Syne" was sung to complete the program. An anonymous donor sent \$10 to the auxiliary treasury. The members take this opportunity to extend thanks for the contribution. Mr. and Mrs. Howard Barnes have left Woodstock for a three weeks' trip to Georgia.

Walter Riskey has entered the employ of the Mower store and began his work there last week. At the close of the 19th century, only ten per cent of U. S. foreign commerce was carried in American ships.
